

“We
giggled
until our sides hurt
AS WE
PADDLED.”

Memories begin with Bailey.

“The unstoppable
laughter
as they
SPLASHED
in the puddle!”

Remember when they started splashing and you realised it just didn't matter? You had nowhere to rush to, no plans to keep, no deadline to meet. Where you went to next and how you got there, was completely up to you. You could just enjoy the moment and let them play. That's a Bailey memory.

Wonderful MEMORIES start here.

“ Leisurely
strolls
in the afternoon
SUN
with our dog.”

When you're on the open road, every moment is a precious memory. It's not just the high points, like waking up to a magical sunrise or watching a beautiful sunset. It's the little things too. It's that moment when you sit and relax and realise there are no plans to keep, nowhere to rush to. You can live in the moment and truly be yourselves.

“ Taking in the
beautiful
scenery.”

“The *joy*
of just being
TOGETHER
with no fixed
plans for the day!”

“THE FEEL OF THE
crisp, fresh
air ON OUR
faces.”

Memories make life worth living.
So isn't it time you started making
some more? There's a whole world out
there just waiting for you to explore.
With a Bailey caravan behind you
and the open road in front of you,
who knows what memories you'll be
looking back on very soon...

“Sharing a *treat* with my MOST LOYAL friend!”

Memories

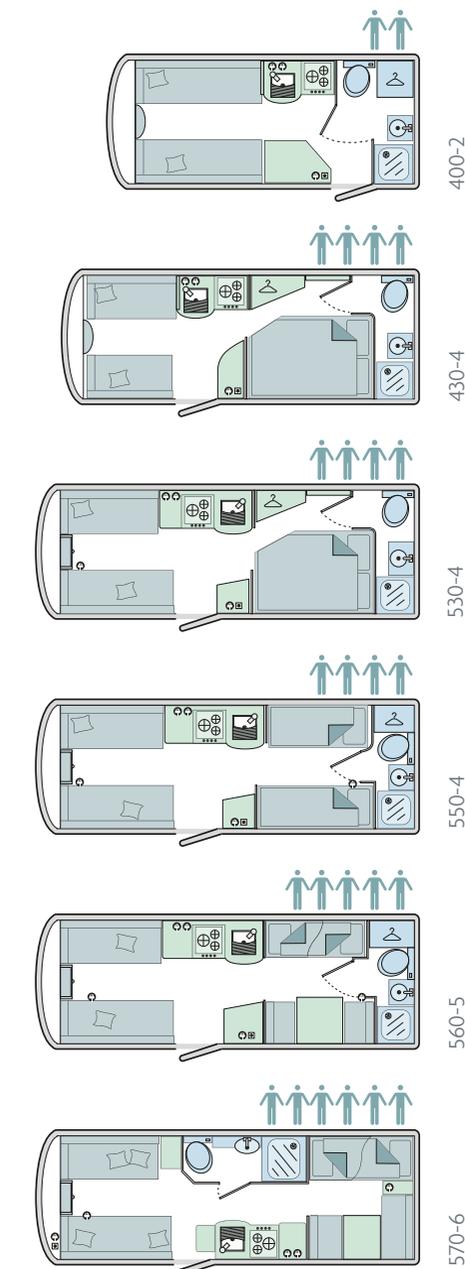

begin with a Bailey

Life is for living. So put the ‘free’ into your free time. This is your time, your way. Get away from it all, go off the map and create some memories you’ll treasure forever.

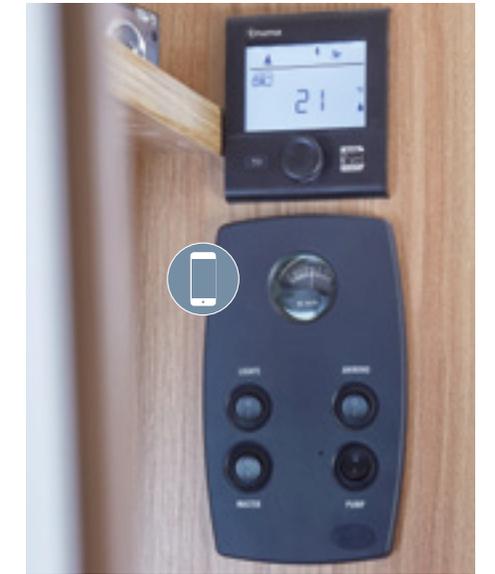

Whether you’re an experienced caravanner, or you’re new to it, hitching a Pursuit to your car is a great way to get out there and see the beautiful world.

From the dramatic rugged coastlines of northern Scotland, to the secluded sandy beaches of the South West, there are lots of special places across the country and even further afield just waiting for you.

We love caravanning and we know exactly what kind of features, fixtures and fittings we'd like to see in our own vehicle. But we don't get complacent. We also ask Bailey customers what would make their holidays special too.

It's this close collaboration with dedicated Bailey fans across the country that makes sure every caravan comes with the features you want. So you can enjoy an inspiring holiday in a true home from home.

-  Dometic 103 litre fridge with sleek black finish
-  Opening sunroof
-  'Mendip Ash' furniture finish and 'Burnt Oak' worktop laminate
-  New 'Festival' upholstery

COMPARE OUR CARAVANS ONLINE

A tolerance in the MRO has been allowed for in the calculations of Payload Margins. The awning length measurement shown is to be interpreted as a guide only and an enquiry should be made to individual awning manufacturers as to the correct size. Visit www.baileyofofbristol.co.uk for Pursuit metric bed sizes.

“Stealing a moment
together
 while the children
PLAYED.”

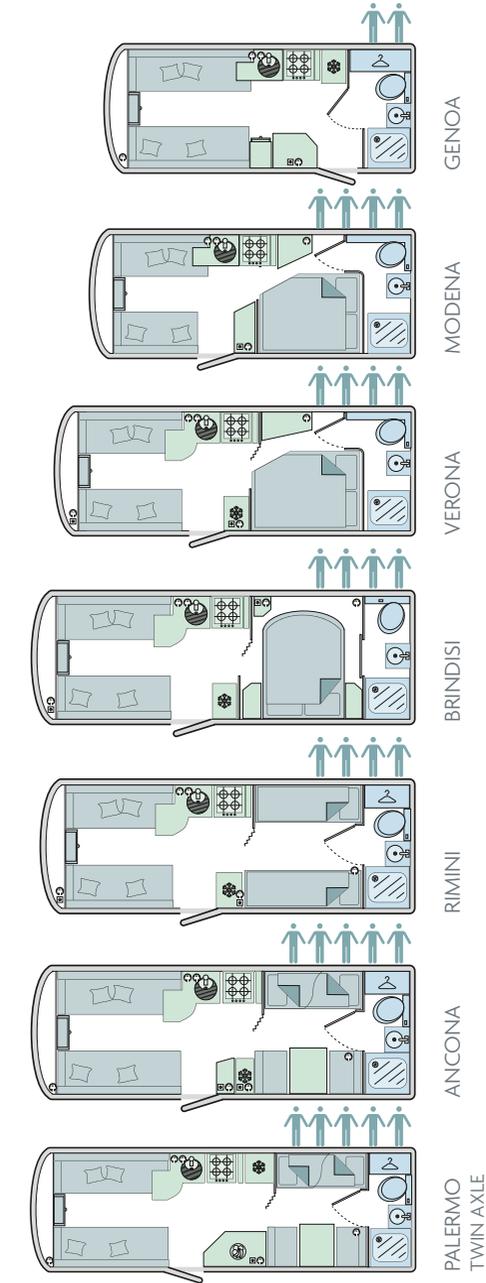

Enjoy the
precious
 moments with a Bailey

Memories aren't just about places. They're about people. The old friends you meet up with and the new ones you make along the way. With a Pegasus behind you, you're never far away from catching up with someone special.

There's simply nothing else like caravanning. Even if you've been caravanning ever since you were a child, you still get that same sense of adventure when you set off on your journey. And the same thrill when you open the door onto a new day.

Pegasus comes fully equipped to ensure you have a great time away. So if you're travelling with little ones, you'll create memories that they'll treasure for a lifetime too. They might even get their own caravan when they're old enough!

-  Recessed 2-drawer front chest (model specific)
-  Dream Sleep soft furnishing system
-  Thetford dual fuel hob with electric hot plate

The beauty is in the detail. Our designers think about every inch of our caravan interiors to make the best use of space possible. Each caravan comes packed with handy features, but thanks to careful design, there's a real feeling of space too.

So whether it's just you and the loved ones on the open road, or you're having friends around, you'll have everything you need at your fingertips. No wonder so many Bailey owners get out on the road as often as they can.

“Sharing a peaceful moment, listening to the BIRDS SING.”

Share those special times in a Bailey **UNICORN**

That moment when you pull into the site. When you know the journey's over and all you've got to concentrate on now is having a truly memorable time away. Why not make that moment extra special by travelling and arriving in style?

Perhaps you've got more free time to get out and explore. Or you want to indulge yourself with a caravan that comes packed full with everything you need. If you know caravans then you'll know that means the Bailey Unicorn.

Whether you're travelling as a couple, with children or even grandchildren, the Unicorn brings you unprecedented levels of comfort. Not to mention a superb range of features. So park up, relax and enjoy.

Talking to Bailey Unicorn owners, we know that these experienced caravanners are looking for a range of facilities that make their vehicle a real home from home. After all, just because you love the freedom of the open road doesn't mean you should compromise on your creature comforts.

So for our flagship caravan, we've included a huge range of handy and comfortable features as standard. Whether you're holidaying at home or abroad and no matter how many times a year you travel, you'll have everything you need for the journey.

- Hartal GRP skin two-part large aperture exterior door with window, blind and waste bin

- LED awning light with integral water management system
- Double glazed Polyplastic opening vertical skylight in front dome
- Double glazed Polyplastic opening windows throughout
- Midi and mini Heki roof lights located throughout the main habitation area
- Centrally mounted easy-access gas locker for enhanced stability and reduced nose weight
- Exterior 230v socket and Truma gas BBQ point
- 230v power inlet for mains hook-up
- Status 550 telescopic directional digital television aerial
- External satellite connection point
- Centrally located easy-access large exterior storage locker with moulded liner
- Co-ordinating graphics scheme

ALU-TECH BODYSHELL

- Structural interlocking aluminium extrusion framework with no external fixing points and concealed awning channels on both sides
- Five part fully bonded exterior panel assembly system
- Upper body panels manufactured using superior bead application laminating technology for a stronger more consistent bond
- Upper body panels built using a timber free construction, incorporating a composite plastic internal skeleton, a high density polystyrene insulation and a GRP inner wall lining
- Upper body panels cloaked in a single sheet impact resistant GRP outer skin for extra durability
- Supplied with a 6-year transferable bodyshell integrity guarantee and a 3-year transferable manufacturers components warranty*
- 4-year transferable extension to bodyshell integrity guarantee available as a cost option (making 10 years in total)*
- EN-1645 Grade III classification for heating and thermal insulation (cold chamber tested)
- European Whole Vehicle Type Approved and certified by the National Caravan Council to be European Standard compliant

SERVICES

ELECTRICAL SYSTEM

- Truma 100 watt solar panel
- 230v power supply with up to seven new design interior sockets
- TV station with 230v, 12v and two aerial sockets
- 12v internal lighting system including LED down-lighters and directional spotlights
- 12v shower cubicle lighting
- Centrally located under floor leisure battery storage locker
- Centrally located electrical control panel
- Domestic style consumer unit with dedicated access door
- Switch mode battery charger with 20 amp output
- RCD/MCB protection for mains electric system

SAFETY AND SECURITY

- AL-KO ATC trailer control system
- AL-KO AKS 3004 stabiliser
- AL-KO shock absorbers
- WSL individually laser balanced wheels fitted with premium brand tyres and anti-tamper WSL safety bolts
- NEW TyrePal Tyre Pressure Monitor System (TPMS)
- Wind down floor mounted spare wheel carrier and spare wheel (steel spare wheel)
- AL-KO caravan jack
- AL-KO Secure portable wheel lock (two for twin axle models)
- TRACKER Retrieve with 5-year standby battery life (including first 3 months subscription fee)
- High security one-key operation throughout
- CRIS identity number anti-tamper labels attached to windows and inside gas locker
- Concealed security data chip within caravan construction
- Smoke alarm
- Carbon monoxide alarm

- 25 metre mains connecting lead

WATER & GAS SYSTEM

- Alde Hydronic Compact 3020 programmable radiator heating system with combined water heating
- Alde 3020 boiler for improved fuel economy
- Alde touch screen user-friendly control panel
- Washroom panel radiator
- Dual fuel 6.4kw gas and up to 3.15kw electric power sources
- Propane/Butane 30mb gas regulator mounted in gas locker compartment
- On-board 40L water tank (twin axles only)
- Whale high flow submersible pump
- Inboard rigid pipe waste plumbing system

KITCHEN EQUIPMENT

- Exclusive Dometic 133 litre tower refrigerator with electronic ignition (single axles only)
- Dometic 190 litre fridge and freezer with electronic ignition (twin axles only)
- Thetford Caprice combined oven, grill and hob with electronic ignition and flame failure device
- Thetford dual fuel hob with electric hotplate and 3 gas burners
- Stainless steel 800 watt microwave oven

GENERAL EQUIPMENT

- Remis pleated flyscreen and blinds to principal windows
- Remis 2-part pleated flyscreen and blind to vertical skylight
- Hartal pleated full length flyscreen to exterior door
- Branded DAB Radio/CD/MP3 player with iPod/MP3 player USB connection point
- Branded dual cone stereo speakers for superior sound quality
- Caravan clock

- Stainless steel circular kitchen sink with swan-neck mixer tap, washing up bowl, drainer and chopping board
- Thetford C-260 cassette toilet with integrated header tank
- Inboard shower unit with ceramic ball mixer tap and Ecocamel shower head
- Large fully lined square shower cubicle with domestic style door and storage shelf
- Extendible shaving mirror in washroom

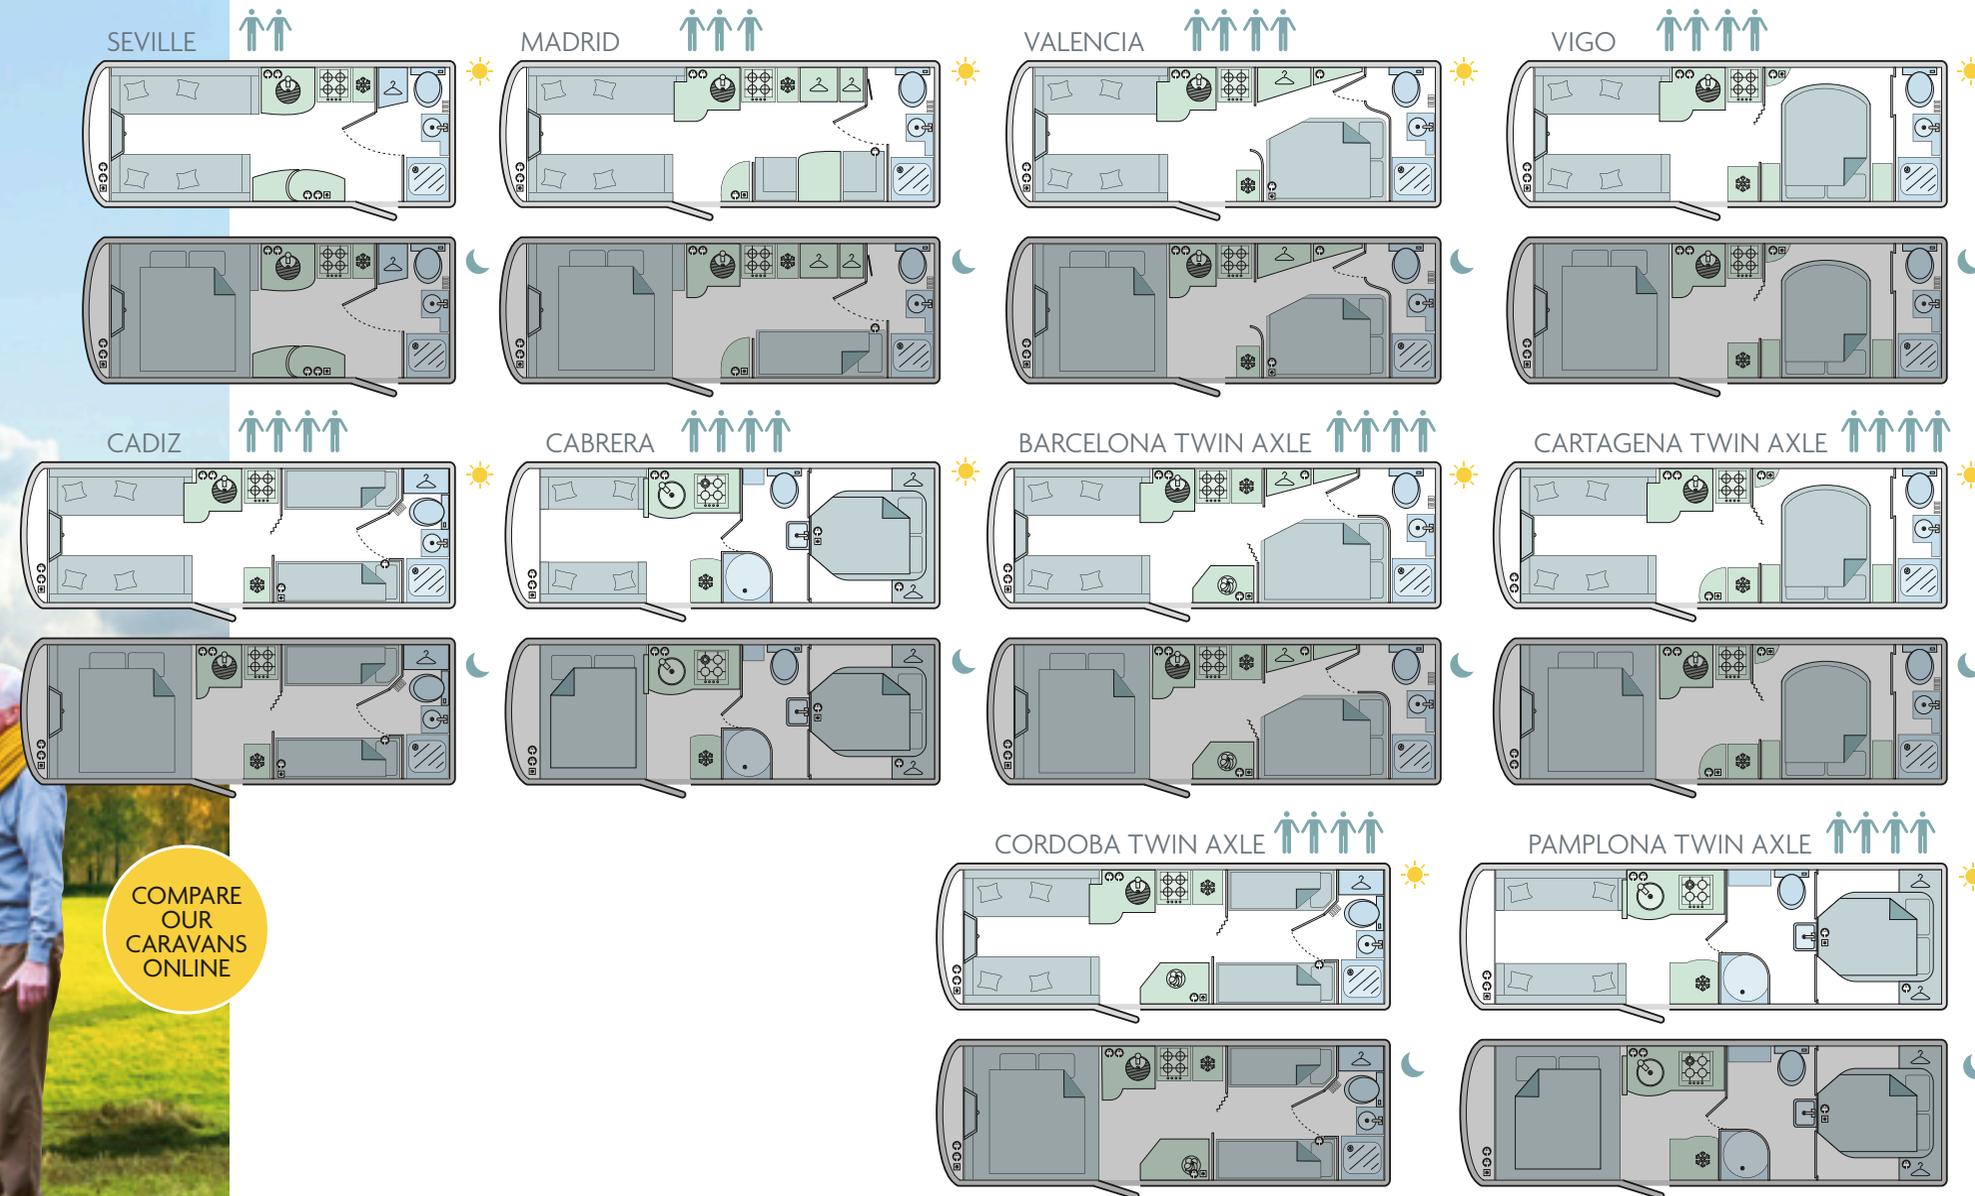

OPTIONAL EXTRAS

- 'Trafalgar' soft furnishings
- Bespoke caravan bedding sets to co-ordinate with caravan soft furnishings (model specific)

A LITTLE BIT ABOUT BAILEY

It's a big *family* adventure!

We love holidays! That's why we go the extra mile to make sure that our customers have some truly memorable experiences. Whatever caravan you travel in, we're here to provide all the equipment and support you need to make every holiday a success.

The Bailey journey began in 1948, when Martin Bailey started designing and building caravans in his garage in south Bristol. Martin wanted to make vehicles that he himself would love to holiday in.

Martin's first caravans struck a chord with holidaymakers across the UK and Bailey became a thriving family-run business. Since those early days, we've helped tens of thousands of families get out there and create some lasting memories to treasure.

Bailey is still a family business today, run by people that are equally as passionate about helping create the perfect holiday for you.

Through our wealth of experience in caravan production and design, we're inspiring a whole new generation of people to make memory after memory in our vehicles.

“ WE JUST WANT PEOPLE TO *enjoy* ”

CARAVANNING AS MUCH AS WE DO!

Nick Howard.
Managing Director.

Our *precious* MEMORIES
from 1948 to 2017...

DESIGNED WITH YOU IN MIND

The best design starts with *people*

A designer needs to know what people want. What they'd like to change. And what they'd love to see.

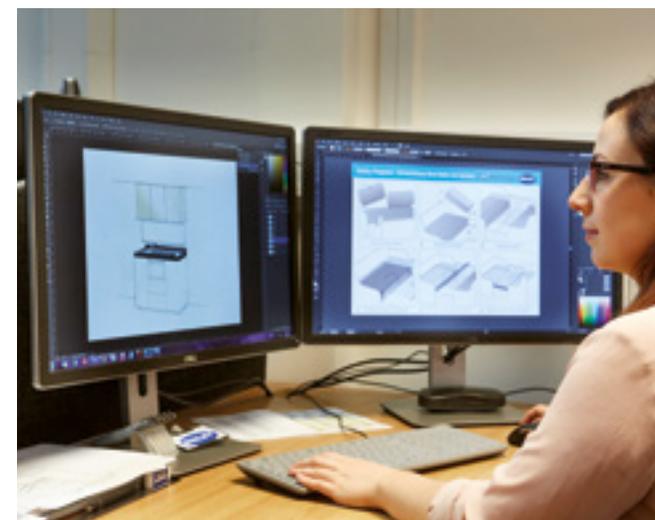

We regularly involve our customers and get their feedback on our designs. That way we can make sure that every new model or redesign ticks all the boxes to create an ideal home from home.

Once we're confident we know what you want, we thoroughly evaluate every element of our new designs through one of the industry's most comprehensive test programmes. By seeing how our caravans perform in places as diverse as the Swiss Alps and the Australian Outback, we can be sure that they are capable of taking you on your own adventure.

The design dream team

To create the ideal caravan takes teamwork. Our designers work closely with some of the UK's leading manufacturers to source the components that make every Bailey truly special. As a result, all our caravans are built on an AL-KO chassis and are fitted with Alde or Truma heating systems, Dometic refrigerators and Thetford ovens. Only the best is good enough for Bailey.

MANUFACTURING IN BRISTOL

Leading the way in manufacturing

Perhaps it comes from those wide open horizons out on the road, but at Bailey we're known for our blue sky thinking. Take our factory, for example. We've mechanised our production line to make sure our technicians can spend their time working on the vehicles rather than having to manhandle them around the plant. That means we can keep our manufacturing costs down and pass on the savings to you, our customers.

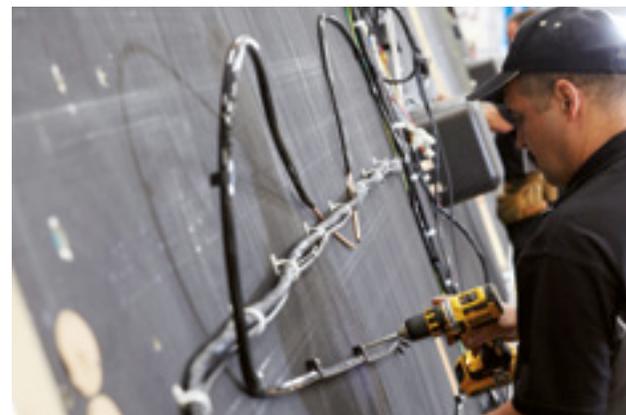

WE'RE SO
proud
OF OUR FACTORY...

Bailey
Owners Club

Join the BOC to enjoy exclusive tours of our factory and meet the people who designed and built your caravan.

We've been clever with our parts too. By keeping our component stock levels to a minimum we bring our overheads down and make manufacturing more efficient. Again, that means we pass on great value to you.

Our skilled technicians take real pride in what they do. We do not incentivise them to work faster, instead we encourage them to take their time and focus on making each caravan as good as it can be.

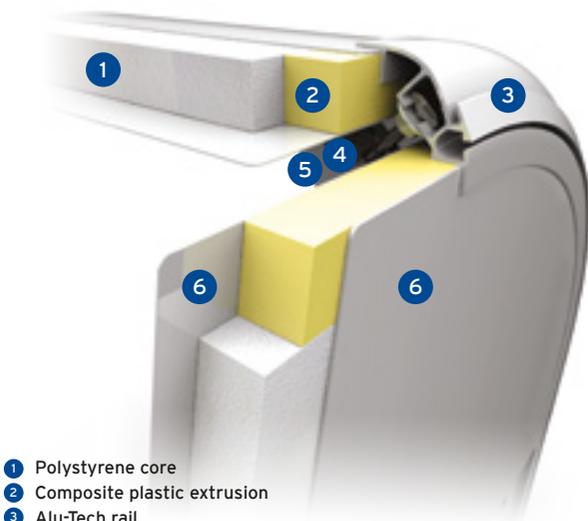

OUR TECHNOLOGY

Alu-Tech means you *can*

You want your caravan to be a real home from home and we quite agree. That's why we incorporate the latest design technology into our vehicles to ensure every holiday you take is a pleasure.

Leading the way

Our Alu-Tech bodyshell is seen by many as the most important development in leisure vehicle design in recent times. We wanted a construction system which made caravans more robust and durable than existing vehicles, to keep owners comfortable, safe and secure all year around.

- 1 Polystyrene core
- 2 Composite plastic extrusion
- 3 Alu-Tech rail
- 4 Structural fixing bracket
- 5 Alu-Tech rail insulation
- 6 GRP (glass reinforced plastic) outer and inner skin

SUPER STRONG AND
robust
TO KEEP YOU SAFE.

You can rely on our Alu-Tech technology

To meet this challenge, our designers created something truly ground-breaking. A patented aluminium external framework clamps the bodyshell panels together to create a shell that is so much stronger than anything that has gone before. Fewer external joints and fixing points make this shell more weather proof, while significantly thicker panels provide better insulation to keep you warm in the winter and cool in the summer.

When you consider these benefits have been achieved without a price or weight penalty, you can begin to see why Alu-Tech caravans are so special.

“Snuggling
up, sharing
A STORY.”

BAILEY PARTS AND ACCESSORIES

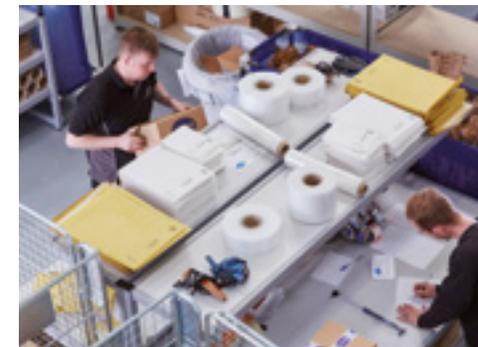

Be *prepared* for every journey

Once you've bought a Bailey caravan or motorhome, we treat you like you're part of the family. So if you ever want a hand finding some new parts or accessories to make your travels even more enjoyable, just get in touch.

www.baileyparts.co.uk is open seven days a week, all year round. Plus, with next day delivery there really is no better place to shop online.

You can also find parts and accessories at our pioneering Bailey click and collect centre in north Bristol. We're pretty sure you'll be impressed with such a great retail experience.

HOW TO **BUY** A BAILEY...

Closer than you think

The next step is to find out a little bit more. We have a network of approved retailers across the country that we trust to sell our caravans. We choose to work with partners who we believe to be the best, so by visiting your nearest Bailey retailer you can be sure you'll be talking to an expert.

Experience Bailey for yourself

There you'll be able to view a wide choice of both new and pre-owned Bailey caravans*, in which you can spend time in order to decide what model best suits your needs.

*Subject to availability

**Terms and conditions apply. Please refer to www.baileyofbristol.co.uk for more details

When it comes to making the final decision, there are various finance options available to you, in order to make your purchase more affordable. Feel free to ask at your local retailer if you'd like to know more.

Your
memories
start here!

The Bailey warranty

When you're buying a new Bailey, your caravan will come with all the reassurance of our manufacturer's warranty. Your caravan's bodyshell is covered with a 6-year integrity guarantee, while other parts and components are covered for up to 3 years**. Whether you're new to caravanning or you're a seasoned caravanner, that gives you some excellent peace of mind when you're out on the open road.

TO FIND OUT MORE?

Speak to your local retailer today!

JOIN THE CLUB

If you're *already* an owner

Once you've purchased a Bailey you're already part of an exclusive club. So why not go one step further and join the real thing?

The Bailey Owners Club is completely independent from Bailey of Bristol and is designed to help people get the best out of their Bailey caravan or motorhome. There are members all over the world and there's even a 'Little Bees' section for younger caravanners!

Join the club and you'll receive invitations to low-cost weekend events and rallies across the UK, often at exclusive venues. Plus discounts on longer holidays in the UK and abroad, as well as online discounts at www.baileyparts.co.uk. You'll even have a unique chance to come and tour the Bailey factory to meet the people who created your caravan.

We hope you'll *love*
caravanning as much as we do!
